

Welcome to the [PROSPECT](#) Newsletter! Over the past months, almost 200 local/regional authorities and agencies got to exchange and learn about **innovative mechanisms** to **finance** their sustainable energy and climate projects through our [peer-to-peer learning programme](#). These participants are now eager to share their experience with you. Have a good read!

Virtual Peer Learning on Sustainable Financing

Join PROSPECT's final workshop on October 22nd! During this **half-day virtual event**, we will share with you the tips and tricks of PROSPECT's highly **experienced mentors** in the **5 modules** of the programme (public/private buildings, public lighting, transport and cross-sectoral) to enhance your ability to **attract green investments**. EPC, Third Party Financing, etc. will have no secrets for you after attending this workshop. Register now! Less than 50 seats are available.

Join featured in the digital EURegionsWeek

This year, the **EU Week of Regions and Cities 2020** will be fully digital, and will be spread between the 5th and 22nd of October. On the **21st of October** from 11:30 to 13:00 CET - the day before our final workshop - we will be joining forces with the [European City Facility](#) and the [Covenant of Mayors - Europe](#) for a session on "**Financing climate actions in cities**" in which the three initiatives will be presented, followed by discussions on how best to secure funding and implement SEAPs and SECAPs.

Upcoming PROSPECT events across Europe

If you participated in our fourth learning cycle, there is a high chance that your meeting plans were disrupted by the covid-19 pandemic. This is why PROSPECT has decided to put together a **series of national (physical and virtual) events** for local and regional public authorities in several EU Member States. You would like to learn from the financing wisdom of our PROSPECT mentors one last time? Mark these dates in your agenda:

- **17 September:** webinar for **Hungarian authorities** and stakeholders;
- **2nd week October:** workshop for **Swedish authorities** and stakeholders in Uppsala;

- **12 November:** workshop for **German authorities** and stakeholders in Frankfurt;
- **13 November:** workshop for **German authorities** and stakeholders in Ettlingen.

If you are interested in one of these events, just answer to this email and we will transfer you to the responsible partner.

PROSPECT Transport Webinar: what's you've missed

On **July 2nd**, speakers of the PROSPECT Transport Webinar presented the audience a whole range of **available tools to fund and finance sustainable transport**, with best practice examples from Spain, the UK, and more. If you missed it, make sure to watch the recording of the session and download the presenters' slides.

Webinar materials

2 weeks left to apply to the EU City Facility

The [European City Facility \(EUCF\)](#) aims to support **municipalities and their groupings** in developing **investment concepts** related to the implementation of their climate and energy action plans. Successful applicant municipalities will receive a € 60.000 lump sum for the development of the investment concept (in national language) and related activities. **The application is fast, straightforward and online.** More information on **eligibility criteria** and the **application process** are available on the PROSPECT website.
